Test run Map with a small test course can be collected free of charge at the Event Office

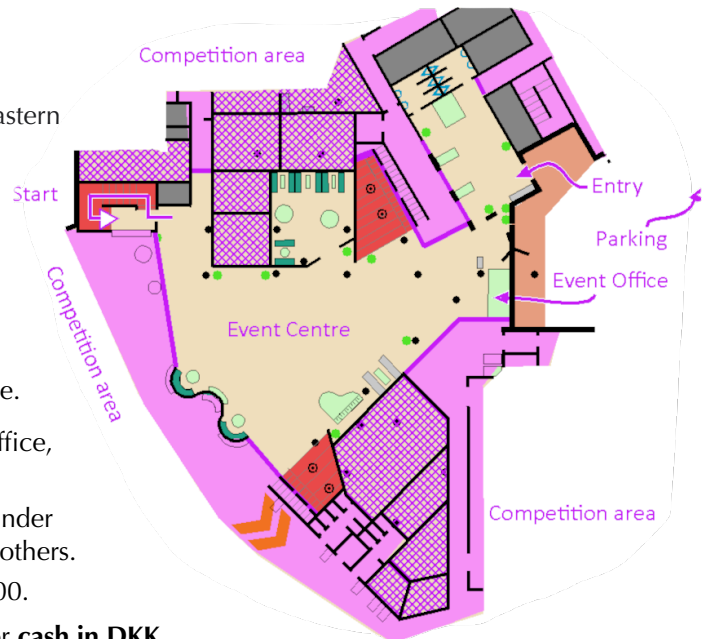

Shoes Only clean, flat (preferably indoor) shoes without spikes etc. are allowed.

Map VIA University College, scale 1:700 revised March 2026. A copy of the 2025 map is found below and on display at the Event Office. All maps are printed on A3.

The map is drawn in accordance with the IOF proposal for indoor orienteering (ISInOM with one small deviation as outdoors areas are drawn with darkbrown colour (and not blue).

Control descriptions are printed on the map. Runners who bring a holder, may collect a loose set of control descriptions before start.

Controls The controls are marked with triangular flags, size 15x15 cm. Very close to the control the SportIdent punching device is found, in some few cases fixed with tape on the floor beneath the control.

Start

Distance from the event office to the start: 50 m

Starting procedure

Free start (put & run) from 4.30 p.m. to 7.00 p.m. The controls are picked up from 8.00 p.m

Before Start Box 1, you may collect a set of control descriptions if you bring your own holder.

Remember to clear your SI electronic chip before start.

Runners in the class D-12, H-12 and Open 1 go into box 1 in the right lane.

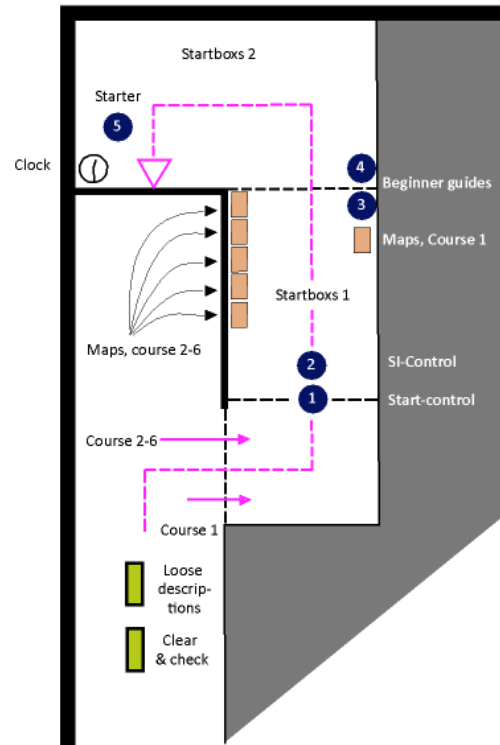

Pick your map from the box and proceed to the starting line in box 2.

If you need help, call on one of the assistants (3 and 4).

All other runners go into the left lane and proceed to box 1. Enter the box when space allows.

You pick your map from the box, marked with your course/class, and proceed to the starting line in box 2.

You start when the starter allows you.

Start control

All runners must punch the start control. The time starts when the start control is punched.

Courses and classes

Course	Class	Controls	Length	Floors up	Winning time
0	Test run	11	370	3	-
1	D-12, H-12, Åben 1	28	560	2	15 min

Versions

Version 2: Published March 30, 2026 – changes in **Red**

Rules for indoor orienteering

Areas out of bounds Areas out of bounds are marked with a dark-grey or purple colour (symbol 1709)
It is strictly forbidden to enter areas out of bound and you will be disqualified in case of violation.

Cordon off areas Red-white cordon off tapes must not be passed.

Doors Doors drawn open on the map will be open and may be passed.
Doors drawn closed are closed and cannot be passed.

Toilets You are not allowed to use the toilets in the competition area. Use the toilets that are marked from the Event Centre.

Keep right To avoid collisions, it is obligatory to keep right. Be aware of narrow corners and especially at the stairs there is a risk for collision with other runners.
Be careful and keep right

Furniture You are not allowed to jump over furniture. Run around and keep your feet on the ground all the time.

Look up There are a lot of glass windows and glass doors at VIA University College, so always remember to look up while you run.
Should it happen that something breaks during the competition, notify the Event Office as soon as possible. Remember that you are the one responsible... and your insurance company must pay if something breaks.

Control descriptions

Symbol	Name	Used at VIA indoor

	5.21 Canopy	Table
	6.3 Prominent sofa*	Prominent sofa
	6.4 Cabinet*	Cabinet
	6.5 Pillar*	Pillar

* not IOF-standard (made for the purpose)

About the map

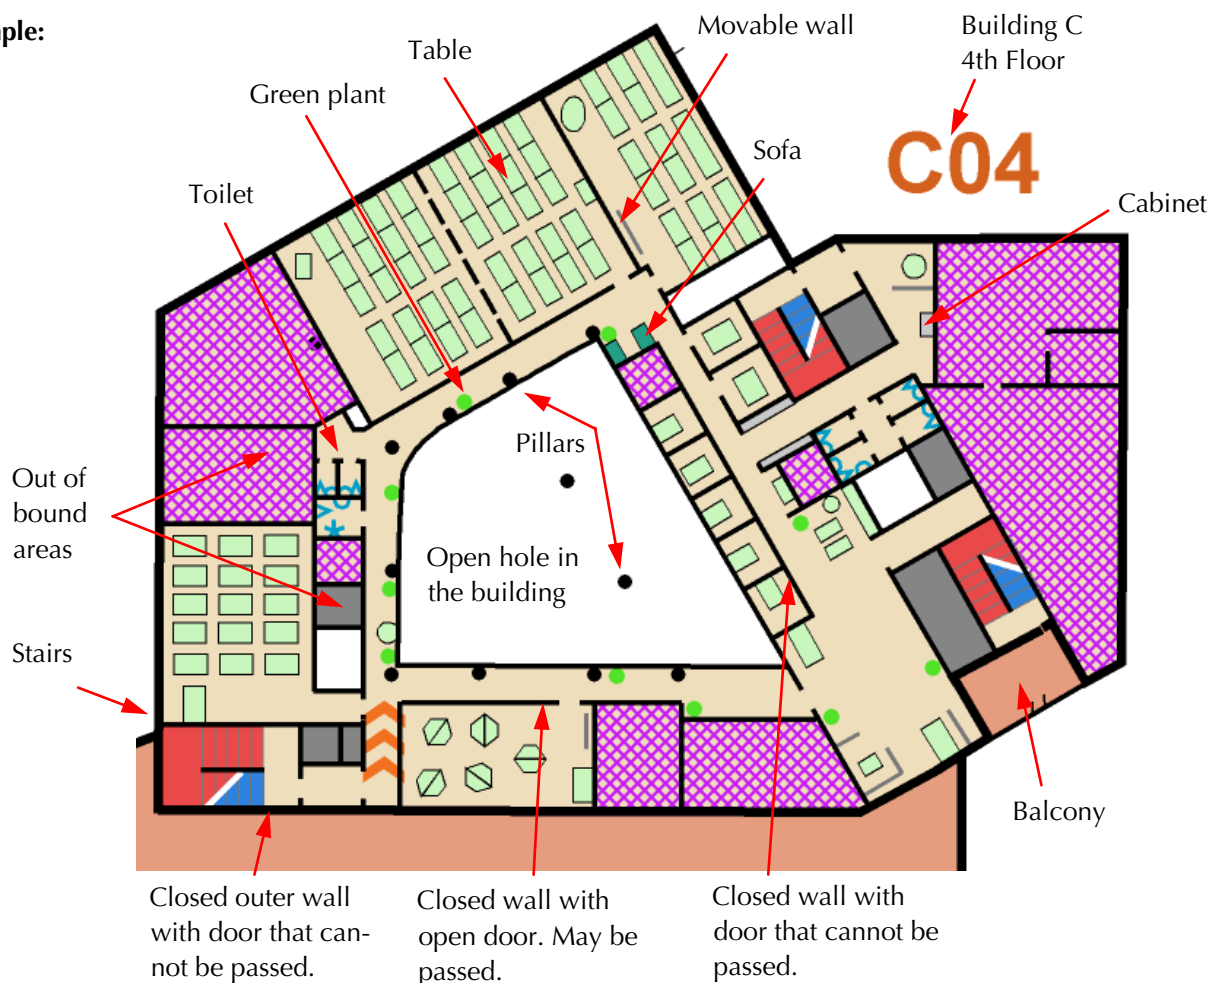

Walls and floors A thick black line marks an outer wall or a closed outer door in the building.
A black line marks an interior wall or a closed door. Closed doors must not be passed or opened!
Doors marked with red and white tape and/or a sign that reads "Må ikke åbnes", must not be passed.

Restricted areas A restricted area is either marked with a dark gray or purple fill color.
White areas are "out of bounds" and typically show places where it is absolutely impossible to run.
Indoors you may only run where there is a light yellow "floor colour", and outdoors only where there is a brown floor colour.

Furniture Tables are drawn with dark green fill colour, seating furniture, i.e. sofas and arm-chairs, with an olive-green fill colour, and shelves and cabinets with a brown fill colour. Chairs are not included. No furniture may be jumped over or run under.
Some movable furniture in the common areas, especially on the 1st, 2nd and 3rd floors, cannot be assured to be where the map shows. VIA is a living organism, and the furniture is moved around daily by the students.
Controls are placed at objects that are drawn correctly.

Buildings VIA University College consists of 3 buildings with 4 floors, 5 floors and 16 floors.
The buildings are designated with the letters A, B and C.
On the map, the floors are designated with the combination of letter and floor, i.e. C04 denotes the 4th floor in building C.
